

SAMBA[®] Papaya

Samba Papaya is truly unique and unlike any other papaya you have ever tasted.

From the tropics of Brazil

Our mission is to provide you with a taste of our home. We emphasize support for small farmers, fair treatment of workers, and utmost attention to food safety.

Non - GMO

Juicy Pulp

Sweet Flavor

Papayas

One of the Healthiest Fruits in the World

- Fat-free and loaded with nutrients
- Rich in vitamins A, B, calcium & antioxidants
- Very high vitamin C content
- Is an excellent digestive aid due to a special enzyme that breaks down protein

SELECTION

Ready to eat with 50% color. Cup fruit in your hand & if there is a slight give, it's ready!

**Samba Papaya,
Let the Flavor Dance!**
